

## WELCOME

---

We're delighted to welcome you to the Trafalgar Studios at the beginning of a new and exciting era for this iconic theatre.

To celebrate, we're bringing you a fresh, updated drinks menu, featuring craft beers, organic and environmentally sustainable wines from specialist vineyards and spirits from an independent British distillery.

You can take your drink to your seat - just ask for it to be served (or transferred) into a plastic wine glass or champagne flute.

Relax – and enjoy your visit!
